**EZ Records Teacher View,** one-year subscription  
Price: (Contact ITCS)

EZ Records Teacher View enables teachers to evaluate and comment on student records, using specialized software. The teacher view permits teachers to evaluate and score individual record book pages, as well as make comments on the record book pages. Records book scores are totaled by enterprise and summarized as a percentile score, with an additional percentile score determined summarizing the entire record book. Individual comments may be viewed and printed. The teacher view is a one-year subscription that must be renewed annually.

To order R2006T EZ Records Teacher View, contact us at ezrecords_help@aces.uiuc.edu or (866) 289-5468.
**R9800 Series of SAE Records – 1998**

This SAE record book is designed for use in a 3-ring binder. All record book pages are 3-hole punched. The basic book consists of 12 white pages and a gold-colored cover. Each student with a Supervised Agriculture Experience Program needs the basic book. To this basic book, each student will need to add a special section for each Animal, Business and Crop Enterprise in that student’s SAE. Certain extra pages are available in pads of 25 sheets for those students who need additional pages for their records. Also, an attractive 3-ring binder with gold-colored cover and spine inserts is available. A practice problem for student use was developed from two previous practice problems. A key to the problem is available.

Record Book Resource Package
Price: $40.00

This CD-ROM provides PowerPoint slides for SAEP record book insert pages in the categories of animals, agriscience, agribusiness, crops, and core. Each presentation presents a set of images with blank record book pages. This instructional resource contains 31 mini problems for selected pages. The mini problems may be printed, duplicated, and distributed for student use. Each mini problem is used with a specific student worksheet. The worksheets are record book pages with modifications for worksheet use. Each mini problem has a teacher key. The CD-ROM also contains evaluation suggestions in the form of scorecards.

The PowerPoint content can be modified by teachers to meet individual department objectives. The material is designed to blend student activities into classroom presentations and to create a baseline to evaluate SAEP record books.

Creating Habitats and Homes for Illinois Wildlife
Price: $27.50

What’s your interest in wildlife? Do you like bird watching, hunting, conservation, or maybe photography? Or do you simply enjoy the beauty of the natural world?

This book can help you find new ways to appreciate and interact with the many forms of wildlife on your land or in your own backyard.

Creating Habitats and Homes for Illinois Wildlife will inspire, instruct, and encourage you to enjoy and conserve the rich wildlife legacy of the Prairie State. It will give you the know-how and the confidence to plan projects that provide habitats and homes for wildlife and to sustain your work once it’s complete.

The help is here to guide your management of grasslands, woodlands, wetlands, croplands, or your own backyard for the benefit of wildlife.

• Stunning color photos of wildlife and habitats.
• Background information about Illinois wildlife and the natural world.
• Practical information on how to create habitats to attract and benefit wildlife.
• Guidelines for grasslands, woodlands, wetlands, cropland, and backyards.

Written by specialists from the University of Illinois and the Illinois Department of Natural Resources, this beautiful coffee table book is chock-full of practical ideas to help you create and maintain an environment that will attract and support wildlife on your property.

If you are teaching a course in Natural Resources Conservation Management or Environmental Science, this book is a natural addition to your reference library.
