- Class 9 = pedigree class (no animals present)

Questions. If you have questions, talk to your group leader **only**.

Other:

- You will have 10 minutes to judge each class and mark your Scantron sheet.
- **DO NOT** fold, wrinkle, or damage the Scantron sheet in any way. Dirty or wet Scantron sheets or sheets with stray markings will not score properly.
- At the completion of the last class, turn your Scantron sheet into your ring supervisor.
 - Proceed to the grass parking area. Remove your boots and dispose of them in the trash receptacles.
 - Uses the hand sanitation wipes and dispose of them in the trash receptacles.
 - Official placings will be given in the grass parking area at the completion of the CDE.
 - Neither participants nor teachers will be allowed back on the farm after they have removed their plastic boots.
 - As a guest of the University of Illinois Farms you are asked to dispose of all trash (boots, hand wipes, loose paper, etc.) in the waste container.
