Contestant No. _____

SCORING AND CRITICIZING MILKER UNIT HEADS

Write scores only on the line marked for CONTESTANT'S SCORE. Mark (X) in space opposite the defect noted and in proper sample column. Do NOT write in space indicating official score, grade difference and grade on defects. There may be more than one defect per unit.

Criticisms/Defects		Sample Number					Total Grades
		1	2	3	4	5	
No defects 10 points (Defects valued at 1 point each)	Rubber/Plastic parts						
	dirty or milkstone						
	checked or blistered						
	absorbed fat (weak sticky)						
	leaky						
Range 1-10	poorly fitted						
	Metal/Rigid Plastic parts						
	dirty or milkstone						
	badly dented or damaged						
	pitted or corroded						
	open seams						
	Grade on defects						
SCORING	Contestant's Score						
	Official Score						
	Grade difference
